

The College policy on refunds of tuition and fees for students withdrawing from the College or from one or more classes are listed below.

I.!

If the percentage attended is greater than 60%, 100% of the aid for the payment period is earned. If the percentage of aid earned is less than 60% then the total of the Title IV Aid disbursed or could have been disbursed during the payment period (Quarter) is multiplied by that percentage to determine the amount of aid the student actually earned for the payment period. All unearned portions of federal aid are returned to the appropriate programs in the following order:
