

Drug and Alcohol Abuse Prevention Information

FINE Mortuary College (FMC) is committed to providing a drug-free environment for all college students and employees. Under the Drug-free Workplace Act and the Drug-Free Communities Act, FMC must maintain a drug-free campus and workplace or risk the loss of financial aid under the federal Title IV programs. The Drug-free Campus and Workplace Policy is required by law to make you aware of the dangers of drugs and alcohol in the workplace, along with drug and alcohol counseling services that may be available.

All faculty and staff are expected and required to report to work on time and in an appropriate physical and mental condition for work. FMC is committed to maintaining a safe, healthy, and secure work environment, free of unauthorized drugs and alcohol.

The sale, offer to sell, purchase, use, transfer, possession, and/or manufacture of illegal drugs; including marijuana (medical or otherwise) and alcohol are strictly prohibited on FMC's premises including parking lots, cafeterias, and other non-work areas. Employees who report to work impaired by illegal drugs (or their metabolites), marijuana (including for medical use) or alcohol are in violation of this policy. Impairment means symptoms that include diminished capacity for: speech, walking, standing, physical dexterity, agility, coordination, actions, movement; as well as an employee's demeanor, appearance, clothing, body odor, irrational or unusual behavior, negligence or carelessness in operation equipment or machinery, disregard for the safety of the employees or others, involvement in an accident that results in serious damage to equipment or property, any injury to the employee or others or other symptoms causing a reasonable suspicion of the use of drugs or alcohol.

Employees who use over-the-counter and prescribed medications are expected to remain fit for duty. All such medications should be used in accordance with instructions. Whenever there are prescribed medications, employees should discuss their job functions with their physician and verify that the medications will not threaten safety.

Employees may not possess, consume or be under the influence of alcohol while working, participating in FINE Mortuary College events, or present on FMC premises (including parking lots, and other non-work areas), unless pre-authorized by administration.
